

VRU CHAMPIONS  
Could you be the  
voice we are  
looking for?

Kent & Medway VRU would like to work with young people aged 13-25yrs on helping make communities safer.

**Do You...**

Know about your community?

Listen to your peers?

Want to make a change?

**Can you ?**

Attend young people's monthly meetings?

Share views with decision makers about programs and campaigns?

Inform your peers and other young people about our projects and opportunities?

Attend events and support community visits?

You will be representing not only yourself but the voice of your community in relation to reducing violence across Kent

If you are interested, please contact

[Violence.reduction.unit@kent.police.uk](mailto:Violence.reduction.unit@kent.police.uk) with contact details and someone will be in touch.
