

IMPROVE YOUR TABLE TENNIS!

Tonbridge Round Table and their partners are delighted to provide new outdoor table tennis tables at the Racecourse Sports Ground, along with indoor tables at local community centres along with **FREE summer coaching programme**.

Professional coaching will be available to all every weekend in the summer holidays (23rd July - 4th September 2016) at the outdoor tables at the Racecourse Sportsground, Tonbridge (next to Crazy Golf).

Coaching sessions run from 11am-1pm on Saturday and Sunday.

No need to book, just turn up. All ages and abilities are welcome and equipment will be provided. In bad weather, the sessions will be held indoors at Lambert's Yard Scout Hut (just over the footbridge from the memorial garden, next to the new cafe on River Lawn).

This programme is supported by Sports England, Tonbridge and Malling Borough Council Sports and Recreation Services, Table Tennis England South East Regional Development, West Kent Table Tennis Association and the National Lottery.
