Map of the Christmas trail at Haysden Country Park

Description of the trail route

- the route is about 1 mile in length and has a surfaced path
- start the trail by the café
- walk under the railway to Barden Lake
- at the sign saying 'this way' or 'that way' you can choose which direction you walk around the lake
- look out for clues as you walk around the path by the lake (you should be able to see all of the clues from the path)
- you will need to walk over the grass to get a better view of some clues
- once you reach the 'this way, that way' sign, you have completed the trail
- go back under the railway bridge to the start

The answers can be found on the noticeboard opposite the toilets
