-  Proposed "No waiting at any time" (double yellow lines)
-  Proposed "Permit Holders Only" area, Mon-Sat, 8am-6pm  
Residents' Parking scheme

New residents' only parking restrictions would prevent non-permit holders from parking on-street during the restricted hours (Mon-Sat, 8am-6pm) following complaints from residents.

It should be noted that residents' parking schemes are not intended to "ration" spaces between residents, but to deter regular incoming non-residents from long-stay parking in residential areas.

Resident permits are issued electronically and are currently;  
£58 per year for 1st and 2nd permits  
£115 for third permits  
£175 for additional permits.

Visitors during restricted times would need daily Visitor permits, issued by the resident they are visiting, that cost £12 per 10
