- Existing "No waiting, Mon-Fri, 11-Noon" (single yellow line) to be revoked
- Proposed "Permit Holders Only area, Mon-Sat, 8am-6pm" Residents' Parking scheme

New residents' only parking restrictions would prevent non-permit holders from parking on-street during the restricted hours (Mon-Sat, 8am-6pm) following complaints from residents.

It should be noted that residents' parking schemes are not intended to "ration" spaces between residents, but to deter regular incoming non-residents from long-stay parking in residential areas.

Resident permits are issued electronically and are currently; £58 per year for 1st and 2nd permits £115 for third permits £175 for additional permits.

Visitors during restricted times would need daily Visitor permits, issued by the resident they are visiting, that cost £12 per 10
